

Towards an improved scientific assessment of climate and environmental change and their consequences in the Mediterranean Basin

MedECC Working Group 1 (WG1) “Water, food, energy” meeting

10-12 May 2017, Rabat, Morocco

AGENDA

10 May 2017

- 10:00-10:15** Welcome from the local representatives.
- 10:15-10:45 Joel Guiot:** Introduction to the MedECC initiative (20 mins. presentation + 10 questions)
- 10:45-11:15 Marianela Fader:** Workshop objectives and agenda (20 mins. presentation + 10 questions)
- 11:15-12:15** Tour de table. Moderator **Katarzyna Marini.**
- 12:15-14:00** Lunch
- 14:00-14:30 Wolfgang Cramer:** Natural and socio-economic drivers of climate and environmental change. (20 mins. presentation + 10 questions)
- 14:30-16:00** Work together on plenary about subsection “Drivers”: which one of them should stay in our chapter and which ones should go to the general driver section? Lead of discussion **Manfred Lange.**
- 16:00-16:30** Coffee Break
- 16:30-18:00** 2 parallel identical post-it sessions: Brainstorming about the whole report outline: what is missing there? Moderators **Joel Guiot and Wolfgang Cramer.**
- 18:00-18:30** Presentation of the post-it walls in plenary.
- 18:30-** End of day 1
- 20:00** Diner

11 May 2017

9:00-10:30 3 parallel post-it sessions: pin post-it with keywords belonging to each WG title.

- 1) "Climate change impacts on water availability and consumption, food production and energy production and consumption" Moderator **Marianela Fader**.
- 2) "Impacts of environmental degradation (incl. loss of biodiversity) on water resources and their management as well as on food and energy security". Moderator **Manfred Lange**.

10:30-11:00 Coffee break

11:00-12:15 3 parallel sessions: structure the post-its into a subsection outline and assign lead authors.

- 1) "Climate change impacts on water availability and consumption, food production and energy production and consumption" Moderator **Marianela Fader**.
- 2) "Impacts of environmental degradation (incl. loss of biodiversity) on water resources and their management as well as on food and energy security". Moderator **Manfred Lange**.

12:15-14:00 Lunch

14:00-16:00 Plenary: presentation of results of the split groups. **Marianela Fader, Manfred Lange**.

16:00-16:30 Coffee Break

16:30-18:00 Work together on subsection "Policies, solutions, best practices, potential responses": specify outline, get some structure, add keywords, ask who offers for what subsection. Moderator **Wolfgang Cramer**.

18:00-19:00 End of day 2; **Moderators merge outlines, post-its, etc.**

20:00 Diner

12 May 2017

9:00-10:00 Literature race: each participant recommends "must-read" papers, reports, etc. from the own field or about another field of our chapter. A common list will be written. Thoughts and recommendations as well as the digital copies must be brought from home! Here we only put them together, eliminate doubling, etc. Lead of effort **Katarzyna Marini**.

10:00-10:30 Marianela Fader: Presentation of the new outline of our chapter with keywords and authors.

10:30-11:00 Coffee break

11:00-12:00 General Discussion, feedback, definition of homework, next meeting. Moderator **Joel Guiot**.

12:00- End of the meeting
